**Patriots Day Freedom Walk  
A Rousing Success**

The Patriots Day Freedom Walk on September 9th was a wonderful community event. We hosted over 150 walkers at the Kenneth Parker Amphitheater at Port Orange City Center. We spread the word for patriotism and support of our local and national service organizations and our active military and veterans.

This was the 1st Annual and we will look forward to the 2nd next year. We had many members volunteer for this event. We want to thank all of them - along with all those patriots who joined

in the walk and spread the word for American Ideals!

We are now getting ready for our National AMVETS Poster and Essay contests.
